Making Connections

Benefits

Make direct connections

No organization is better equipped to connect you with the region's vast community association industry than Western New York Chapter Community Associations Institute (WNY CAI). Our sponsorship and advertising opportunities provide the most direct line of marketing to reach community association homeowners, managers, and service providers.

Make each dollar count

Every dollar your business invests in CAI WNY supports our mission to provide resources and support to community association members, volunteers, and professionals through education, unified advocacy, and leadership development. Our chapter's operating funds are spent primarily on programming and networking events, outreach, and publications geared towards the advancement of community associations.

Make measurable returns on your investment

Expand your marketing reach and dollar by sponsoring and advertising with CAI WNY. Each event draws members and participants from the greater Rochester, Buffalo, and Syracuse areas, as well as Ellicottville and Chautauqua, New York. Our quarterly newsletter, *Community Association Connection*, and annual *Membership Directory* is emailed to our 200 plus members and posted to our website. Copies of our newsletter are distributed to sponsors and property management companies within the region to be shared with their customer base.

Drive more visitors to your website by investing in an inexpensive ad banner on one of our high traffic web pages (300 hits per week). Increase your visibility by becoming a Platinum Precious Metal Sponsor and have your company logo featured on the CAI WNY home page, blog, and Marketplace page with a direct link to your website.

All Precious Metal sponsors will be featured on social media in addition to the Marketplace pages of *Community Association Connection*, *CAI WNY Membership Directory*, and the CAI WNY website
